Recommendation

Application No.	25/01011/OUT
Site Location	Land to The West of Sladburys Lane Clacton on Sea Essex CO15 6NU
Proposal	Outline Planning Application (all matters reserved) - Up to 30 dwellings plus associated infrastructure including a new access onto Sladburys Lane.

The information submitted with the planning application has been assessed by the Highway Authority and conclusions reached based on a desktop study based on the submitted material and google maps. It is noted the planning application is all matters reserved:

From a highways and transportation perspective the impact of the proposal is acceptable to the Highway Authority subject to the following requirements:

1. No occupation of the development shall take place until the following have been provided or completed:
 - a) The road junction shall be constructed at right angles to the highway boundary and to the existing carriageway and shall be provided with, kerb radii measuring a minimum of 6-metres with a 2-metre-wide footway on both sides of the junction and continued around the kerb radii with a straight section of carriageway to be provided from the entrance junction for 15 metres (details shall be agreed with the Local Planning Authority prior to commencement of the development).
 - b) 2.4 metre x 43 metre vehicle visibility splays in both directions of the proposed access, as measured from and along the nearside edge of the carriageway, in accordance with the guidance for a 30mph speed restriction.

(Continued...)

c) Where possible within land under the control of the applicant and/or extent of highway, the provision of a 2-metre-wide footway between the proposed site access and the existing junction serving Edwin Giles Way (details shall be agreed with the Local Planning Authority prior to commencement of the development).

d). The Developer shall be responsible for the provision and implementation of a Residential Travel Information Pack per dwelling, for sustainable transport, approved by Essex County Council.

Reason: To ensure the proposal site is accessible by more sustainable modes of transport such as cycling and walking, in accordance with policy DM9 and DM10 of the Highway Authority's Development Management Policies, adopted as County Council Supplementary Guidance and National Planning Policy Framework.

Informative:

i) Any reserved matters planning application should include details of a site access to the required highway design standards, in this case the Manual for Streets (MfS), and that the access would be deliverable within land under the control of the applicant and/or extent of highway and should include a Stage 1 Road Safety Audit.

ii) The development should be in be in accordance with the ECC Parking Standards Design and Good Practice, 2024.

iii) All work within or affecting the highway is to be laid out and constructed by prior arrangement with and to the requirements and specifications of the Highway Authority; all details must be agreed before the commencement of works.

The applicants should be advised to contact the Development Management Team by email at development.management@essexhighways.org

iv) The Highway Authority cannot accept any liability for costs associated with a developer's improvement. This includes design check safety audits, site supervision, commuted sums for maintenance and any potential claims under Part 1 and Part 2 of the Land Compensation Act 1973. To protect the Highway Authority against such compensation claims a cash deposit or bond may be required.

v) Mitigating and adapting to a changing climate is a national and Essex County Council priority. The Climate Change Act 2008 (amended in 2019) commits the UK to achieving net-zero by 2050. In Essex, the [Essex Climate Action Commission](#) proposed 160+ recommendations for climate action. Essex County Council is working with partners to achieve specific goals by 2030, including net zero carbon development. All those active in the development sector should have regard to these goals and applicants are invited to sign up to the [Essex Developers' Group Climate Charter \[2022\]](#) and to view the advice contained in the [Essex Design Guide](#). Climate Action [Advice guides](#) for residents, businesses and schools are also available.
