To Whom it may concern,

TOWN AND COUNTRY PLANNING ACT 1990	
LOCATION	Land to The West of Sladburys Lane Clacton On Sea Essex
DEVELOPMENT	Outline Planning Application (all matters reserved) - Up to 30 dwellings plus associated infrastructure including a new access onto Sladburys Lane.
APPLICATION NUMBER	25/01011/OUT

I write further to the above-described application and my previous letter detailing an extension of time agreement on the application until 30 October 2025.

Unfortunately, it has not been possible to resolve the issues within the extended time frame. Therefore, I must formally request a further extension of time for the following reasons:

01 To allow for the legal agreement to be completed prior to issuing the refusal notice.

To allow further consideration of the application and to allow for the outstanding issues to be addressed, where possible, I would be grateful for your agreement to an extension of time until **28 November 2025**.

As set out within my previous letter, please confirm your agreement to this further extension of time request by either; completing and returning the agreement form overleaf; or via email. If you confirm your agreement via email, please ensure that your email confirms that you are acting on behalf of the applicant / agent / developer, as applicable.

Thank you for your continued co-operation.

Yours faithfully
