Subject: 25/01011/OUT - Land to The West of Sladburys Lane Clacton On Sea Essex CO15 6NU

Dear Beth,

I write to you further to the above application. Please note and respond to the following points, as necessary.

1. Planning Committee

Please note the call-in received. This specifically raises the issue of the red lined site plan not including the vis splays.

2. ECC Highways

Please acknowledge that the conditions requested by ECC Highways are achievable. Please provide an amended red line plan to include the required vis splays in land owned or controlled by the applicant or Highway Authority. Notice will need to be served on the Highway Authority and/or any 3rd parties as necessary.

3. Trees & Landscaping

Please let me know if you intend to submit the LVIA requested.

4. Anglian Water

Please note the requirements of Anglian Water. This is not an objection but will need to be addressed at RM stage in the event of an approval. The suggested condition would not meet the 6 tests and would not be imposed.

Kind regards,

Amy
