Dear Beth,

Thank you for your email and for providing the further planning addendum.

As previously advised, the application is to be refused. Whilst we appreciate the additional information and justification provided, the proposal remains unacceptable in principle as the site lies outside the Settlement Development Boundary and within the Strategic Green Gap, where new residential development is strictly controlled. Under NPPF (2024) Paragraph 11(d) the adverse impacts would significantly and demonstrably outweigh the benefits.

Although the s106 process has been initiated, no completed agreement is in place at the point of determination as required under the current extension of time, which expires today (26th January).

For these reasons, the application must be refused, and any outstanding s106 matters will need to be addressed through the appeal process. The officer report and decision notice will be available for your review shortly.

Thank you for your patience and co-operation during this application.

Kind regards,

Amy
