
Case Reference: 25/0574/RCU Subject: Support for Proposal

Dear Sir/Madam,

I am writing to express my full support for the proposal to continue offering swimming lessons. Having enrolled my children regularly at this facility, I can confidently say it plays a vital role in our community. The lessons are well-organized and respectful, with minimal disruption. Discontinuing them would leave many children, particularly those with additional needs, without access to this valuable resource. The pool provides a calm, safe environment that is essential for these children.

Yours sincerely
Maurice
