

Dear Sir/Madam,

Subject: Support for Proposal

I am writing to express my full support for this proposal.

My child has been swimming at this facility, and I can confidently say that it is a vital asset to our community. In particular for those with personal or religious reasons who don't feel comfortable in larger swimming environments. Everything is carried out in an orderly and respectful manner giving a vital opportunity to those who may not otherwise have a chance to swim. Many children would face difficulties and we would lose an amazing asset should this be stopped.
