
Support for Proposal (Case Ref 25/0574/RCU)

Dear Sir/Madam,
Case Reference: 25/0574/RCU

I am writing to express my strong endorsement of the proposal to continue offering swimming lessons. Having regularly enrolled my children in lessons at this facility, I can confidently state that it is an essential resource for our community. The lessons are delivered in a professional and well-organized manner, ensuring minimal disruption to others. Should these lessons be discontinued, many children, particularly those with religious beliefs that wouldn't be able to swim in larger facilities, would face challenges, and our community would lose a valuable local service that greatly benefits children in the area. The pool offers a safe, calm environment that many children would otherwise not have access to, making it an important community asset.

Yours faithfully,
Jaime Marks
