Dear Sir/Madam,
Case Reference: 25/0574/RCU
Subject: Support for Proposal

I want to write to say I strongly support for the continuation of swimming lessons here. My children have attended lessons and I can confirm that it is a huge asset to the community, especially true for children with additional needs, who are often unable to participate in lessons held in larger, busier swimming pools. The peaceful, tranquil setting provided here allows these children a unique and valuable opportunity to learn to swim and learn a life saving skill. Discontinuing these lessons would significantly impact many families and deprive children in a setting tailored to their needs.

Yours sincerely,
Moran Rosen
