

Dear Sir/Madam,

Case Reference: 25/0574/RCU

I am writing to express my endorsement for the continuation of swimming lessons which are an asset to the community.

As a parent who has enrolled my child in these lessons, I can confidently confirm that this program is an essential service for our community. The lessons are conducted in a professional and organized manner, with minimal disruption to others.

If these lessons were to be discontinued, many children—especially those with specific religious beliefs or additional needs that prevent them from using larger public pools—would be significantly affected.

Additionally, our community would lose a valuable local resource that greatly benefits children in the area. The pool offers a safe, calm environment that many children would not have access to otherwise, making it an irreplaceable community asset.

Thanks for your time.

Yours sincerely,

Amy Benattar
