

Dear Sir/Madam,
Case Reference: 25/0574/RCU

I am writing to offer my full support for the proposal to continue providing swimming lessons. Having enrolled my children at this facility, I can confidently say it is an invaluable asset to our community, especially for those who, for personal or religious reasons, may not feel comfortable in larger swimming environments. The lessons are conducted in an orderly, quiet, very controlled and respectful manner, providing a crucial opportunity for those who might otherwise not have the chance to learn to swim. Discontinuing these lessons would create significant challenges for many children and result in the loss of an important community resource.

Yours,
