Dear Sir/Madam,
Case Reference: 25/0574/RCU

Subject: Support for Proposal

I am writing to express my strong support for the continuation of swimming lessons at this facility. As a parent who has sent my child, I can confidently confirm that this program is an invaluable resource for our community. The lessons are conducted in an organised and professional manner, ensuring they cause minimal disruption. If these lessons were no longer offered, many children—particularly those whose religious beliefs or sensory/ SEN needs prevent them from using larger public pools—would face significant challenges. Moreover, our community would lose a crucial local service that provides immense benefits to children in the area. The pool offers a safe and tranquil environment that many children would otherwise lack access to, making it an indispensable resource for our community.

Yours Sincerely

Katie Collin
