
25/1521/S73 - Objection

Dear Sir/Madam

I would like to lodge an objection relating to Planning Application 25/1521/S73 which relates to a variation of planning permission 25/0523/S73

Our names are Doug Eve and Jo Bustin owners of 94 Halliwick Road, Muswell Hill, N10 1AB.
doungeve@me.com, 07710172335.

We are concerned about how the current planned development will affect the privacy of our property. The document (drawing - proposed side/rear) details two large windows that will overlook our property and garden. This will directly affect our privacy.
The height of the building will also affect our light during spring and autumn.

Yours sincerely.

Doug Eve and Jo Bustin

(Apologies for the email submission but I was unable to register a login and spoke to a colleague about registering this objection by email)
