

Supporting Proposal Case reference: 25/0574/RCU

To whom it may concern,

My name is Yasmin Gal address: 9 Glebe Road N3 2BA.

I have become aware of the online objections to this proposal over the last few days. As a local member of the community and also having had swimming lessons here, I can say these objections are entirely unfounded. I have first-hand experience that there just isn't any noise or traffic implications relating to this business, in fact, entirely the opposite, which makes it so appealing. Every time we came, it was quiet and perfectly organised, and I had previously experienced other swimming venues. Anyone who states that is entirely incorrect. In fact the lack of noise makes it ideal for children who struggle in loud, busy spaces, which supports my daughter, Maya.

I'm happy to answer any questions if needed,
Yasmin
