

Dear Sir/Madam,

Case Reference: 25/0574/RCU

Subject: Support for Proposal

Bunkers Dip

Neville Drive

N2 0QR

I am writing to express my full support for this proposal. The program is a valuable part of our community, My child has been swimming at this facility and I can confirm ending this would have a serious impact, especially on children whose religious or personal circumstances limit their ability to use larger public pools. Losing this program would mean losing a key resource that supports children's physical health, confidence, and overall development. This pool is more than just a facility—it's a vital community space. Ensuring continued access is essential for many families.

Kind regards,

Deborah Pais
