

Dear Sir/Madam,

Case Reference: 25/0574/RCU

Subject: Support for Proposal

I am writing to express my support for the proposal to continue providing swimming lessons. I have enrolled my children in lessons at this facility, and I can say that it is an asset to our community.

My son is particularly sensitive and has not been able to access swimming in previous settings due to noise, I also struggled to juggle my work schedule with attending pools further away. This is a quiet, friendly and calm environment that is very local and I am grateful that my children are learning to swim in an accessible way. If these lessons were to be stopped, we would lose a community asset that greatly benefits children in our area.
