

Dear Sir/Madam,
Case Reference: 25/0574/RCU
Subject: Support for Proposal

I am writing to express my strong support for the proposal to continue offering swimming lessons. As a parent who has enrolled my children at this facility, I can attest to its importance as a valuable resource for our community, particularly for individuals who may feel uncomfortable in larger, more crowded swimming settings due to personal reasons. The lessons are delivered in a calm, respectful, and highly controlled environment, offering a vital opportunity for those who might otherwise be unable to learn how to swim. Ending these lessons would present significant difficulties for many children and result in the loss of an essential community service to the Barnet.
