TOWN AND COUNTRY PLANNING ACT 1990	
LOCATION	Land to The West of Sladburys Lane Clacton On Sea Essex
DEVELOPMENT	Outline Planning Application (all matters reserved) - Up to 30 dwellings plus associated infrastructure including a new access onto Sladburys Lane.
APPLICATION NUMBER	25/01011/OUT

I write further to the above application received on 8 July 2025 in relation to the above described development.

Unfortunately, due to outstanding issues with the application, we are unable to determine your application within the original allotted time given (as set out within your application acknowledgement letter). Therefore, please accept this letter as a formal request for an extension to the original decision target date for the following reasons:

01 To allow for the legal agreement to be completed prior to issuing the refusal notice.

To allow further consideration of the application and to allow for the above issues to be addressed, where possible, I would be grateful for your agreement to an extension of time until **30 October 2025**.

The date requested is considered the most appropriate having regard to several variables, including those outside of the case officer's control, such as consultation response times and legal agreement preparation times, where applicable to your application.

Please confirm your agreement to this extension of time request by either; completing and returning the agreement form overleaf; or via email. If you confirm your agreement via email, please ensure that your email confirms that you are acting on behalf of the applicant / agent / developer, as applicable.

Many thanks in advance for your co-operation with these matters.

Yours faithfully
