Hi Beth,

Thank you for your email, and apologies for the delay in responding.

The issues affecting our Public Access system have now been resolved, and all documents should be available to view online.

In line with current policy, the principle of development is considered unacceptable. As such, the application will be recommended for refusal and determined by officers under delegated powers. It will not be referred to the Planning Committee.

Would you like to complete the S106 prior to determination or agree Heads of Terms for submission at the appeal stage?

Kind regards,

Amy

Good afternoon Amy,

With the online system still not showing documents, I was hoping whether you could let me know if there are any recent comments that I should ideally address?

Do you also know if this is looking to go to Committee and should we prepare any HoTs?

Best wishes
Beth
