

Support for Proposal

Dear Sir/Madam,

Case Reference: 25/0574/RCU

I am writing to express my wholehearted support for the proposal to continue offering swimming at this property. As a parent who has had a child swim here, I can personally vouch for the immense value it provides to our community. It is especially important for individuals who may feel uneasy in larger, more crowded swimming environments due to personal reasons.

The pool is in a calm, respectful, and well-managed setting, offering an essential opportunity for those who might otherwise struggle to learn how to swim. Discontinuing this would create significant challenges for many children and remove a vital community service in Barnet.

Yours sincerely,

Dr Anna Marshall
