
Support for Proposal/case 25/0574/RCU

Dear All,

Case Reference: 25/0574/RCU

Subject: Support for Proposal

Barnet residential address: 101 Platts Lane, NW3 7NH

I am writing to express my strong endorsement of the proposal to continue offering swimming lessons.

Having enrolled my children in lessons at this facility, I can confidently state that it is an essential part of our community. The lessons are delivered in a professional and respectful manner with so much care taken to accommodate residents and specific instructions given to clients to keep this in mind.

Should these lessons be discontinued, many children, particularly those with additional needs, religious beliefs and other personal interests would face challenges, and our community would lose a valuable local service that massively helps all in the area. The pool offers a safe, calm environment that many children would otherwise not have access to, making it a vital community asset.

Yours faithfully

Anya Dabach
