Dear Sir/Madam,

Subject: Support for Proposal

I am writing to give my full desire for the proposal to continue providing swimming lessons.

My daughter, who is my fifth child, started taking lessons 6 months ago.

I have never had such a good experience- she learnt to swim so quickly and was scared in every facility before this!

I was really stuck.

In particular those who for personal or religious reasons don't feel comfortable in larger swimming environments. The lessons are carried out in an orderly and very respectful manner and minimal noise, giving a vital opportunity to those who may not otherwise have a chance to learn to swim. .

If these lessons were to be stopped, many Barnet children would face difficulties and we would lose an amazing asset that greatly benefits children in our area. This is a lifeline to so many and swimming is a life saving skill.

It would really be a great loss

Yours ,
Sara
