Dear Sir/Madam,

Case Reference: 25/0574/RCU

Subject: Support for Proposal

I am writing to offer my full support for the proposal to continue providing swimming lessons. I have regularly enrolled my children in lessons at this facility and can confidently say that the service plays an important role in our community. The lessons are run in a respectful and organized manner, with little disruption to others. If these lessons were discontinued, many children would find it difficult to adjust, and we would lose a valuable local resource that greatly benefits children in our area, many of which have additional needs. The pool provides a calm and safe environment that many children would not have access to otherwise, making it a significant asset to the community.

Yours sincerely,

Esty Vorhand
