Support for proposal - Audrey Epstein

Dear Sir/Madam,

My name is Audrey Epstein, I live at 14 Hampstead Nw11 7eu.

Case Reference: 25/0574/RCU

Subject: Support for Proposal

I am writing to express my support for the proposal to continue offering swimming lessons.

I have consistently enrolled my children in lessons at this facility and can confidently affirm that the service is a valuable asset to our community. The lessons are conducted in a respectful and orderly manner, ensuring minimal disruption to others. Without these lessons, many children would struggle to adapt, and we risk losing a local resource that provides significant benefits to the children in our area. The pool offers a rare, peaceful environment that many children would otherwise not have access to, making a meaningful contribution to the community.

Yours faithfully,

Audrey Epstein
