

Dear Sir/Madam,

Subject: Support for Swimming Lessons Proposal

I am writing to express my strong support for the continuation of swimming at this facility.

My child has benefited greatly from attending sessions here, and I consider it an essential part of our local community. The environment is calm, private, and well-suited for those who may feel overwhelmed or uncomfortable in larger, noisier swimming settings. This includes children with special educational needs and disabilities (SEND), who often require more supportive and tailored environments.

The sessions are run in a structured, respectful manner and provide an opportunity for many children who might not otherwise have the chance to learn such a crucial life skill. If this was to come to an end, it would be a significant loss—not only to individual families but to the community as a whole.
