

Dear Sir/Madam,

Case Reference: 25/0574/RCU

Subject: Support for Proposal

22 Allandale Avenue
N3 3PJ

I am writing to express my full support for the proposal to continue offering swimming lessons at 30 Allandale Avenue, N3 3PJ.

As a resident living at 22 Allandale Avenue, only four houses away, I can confirm that these lessons have no adverse impact on the local area. I work from home for the majority of the week and have not been disturbed whatsoever. In fact, had I not been informed by a neighbour that swimming lessons took place at the property, I would not have known. The lessons appear to be conducted in an orderly and respectful manner, with no noticeable increase in noise, traffic, or any alteration to the residential character of the neighbourhood.

Furthermore, my understanding is that the swimming lessons represent a valuable asset to the community, providing an important service to local families. Notably, over 50% of the children participating have Special Educational Needs (SEND), and the continuation of these lessons offers these children vital opportunities for physical development, confidence-building, and inclusion within a safe and supportive environment.

I therefore wish to record my strong support for the proposal and urge the Council to approve its continuation in recognition of the significant social and community benefits it provides.

Yours faithfully,
Sharon Sloam
