

Dear Barnet Council,

Dear Sir/Madam,
Case Reference: 25/0574/RCU

I am writing to offer my strong endorsement of the proposal to continue providing swimming at this facility. As a parent whose child has benefited from the opportunity to swim here, I can confidently attest to the immense value this service brings to our local community. It is particularly beneficial for those who may feel uncomfortable in larger, more bustling swimming environments due to personal reasons or loud noise.

The pool provides a peaceful, well-managed, and respectful space, offering a crucial chance for individuals who may otherwise face difficulties in learning to swim. Removing this service would present considerable challenges for many families and eliminate an important community resource in Barnet.
