
Support for proposal 25/0574/RCU

Dear Sir/Madam,

Case Reference: 25/0574/RCU

Subject: Support for Proposal

I am writing to express my full support for the proposal to continue providing swimming lessons.

I have enrolled my children in lessons at this facility and believe that it is a vital asset to our community. In particular for individuals who for personal or religious reasons do not feel comfortable in larger swimming environments.

The lessons are carried out in an orderly and respectful manner, giving a vital opportunity to those who may not otherwise have a chance to learn to swim. If these lessons were to be stopped, many children would face difficulties and we would lose an amazing asset that greatly benefits children in our area.

Sincerely,

Shelley Duboff
