

I am writing to express my strong support for the proposal to continue offering swimming lessons.

Having consistently enrolled my children in lessons at this facility, I can confidently say that it serves as a vital resource for our community.

The lessons are conducted in a respectful and structured manner, ensuring minimal disruption to others. If these lessons were to end, many children, especially those with additional needs, would face difficulties, and we would lose an invaluable local service that significantly benefits children in our area.

The pool provides a safe, peaceful space that many children would not otherwise have the opportunity to experience, making it an important community asset.
