Support Proposal

Dear Barnet Council,

I have personally witnessed the positive impact of the lessons provided at this facility, as my children have participated. I can wholeheartedly attest to its value as an essential

community resource.

The lessons are conducted with utmost care and consideration for everyone involved. Without this service, many children would face significant challenges, and we could lose a vital local asset that greatly benefits the youth. Barnet is fortunate to have this pool, which offers a rare and calming environment that many children would not have access to elsewhere. It is the only pool in the region providing this unique service.

Many children, particularly those with additional needs, benefit from the quiet and peaceful atmosphere here, as they struggle in noisy, crowded settings. If these lessons are discontinued, these children will lose the opportunity to learn to swim. I have seen firsthand the exceptional skill of the instructors and the remarkable progress the children make under their guidance. Should this proposal not be approved, Barnet will risk losing these highly qualified, local instructors to other boroughs, depriving local children of this invaluable opportunity.

Yours sincerely,
Dione Smith
