
Case reference: 25/0574/RCU 'Support proposal'

Talia Pollock
2 Denman Drive
London
NW11 6RG

Dear Sirs

I am writing to show my support for the proposal to continue offering swimming lessons.

I have consistently enrolled my children in lessons at this facility and can confidently affirm that the service is a valuable asset to our community. The lessons are conducted in a respectful and orderly manner, ensuring minimal disruption to others. Without these lessons, many children would struggle to adjust, and we risk losing a local resource that offers great benefits to children in our area. The pool provides a rare, tranquil environment that many children would otherwise not have access to, making a meaningful contribution to the community.

Yours faithfully,
Talia Pollock
