

Support for Proposal

Dear Sir/Madam,

Case Reference: 25/0574/RCU

I am writing to express my strong support for this proposal. I can attest to the tremendous value this program brings to our community. It is well run and professionally delivered, with minimal impact on others using the space.

Discontinuing this service would have a significant negative impact, especially on children whose religious beliefs or specific needs prevent them from attending larger public swimming pools. Losing it would mean losing an essential local amenity that supports children's health, confidence, and well-being.

This pool serves as a community resource, and preserving access to it is in the best interest of many families like mine.

Kind regards,

Olivia Fox
