

Dear Sir/Madam,

Case Reference: 25/0574/RCU

Subject: Support for Proposal

To whom it may concern,

I am writing in strong support of this application. As a parent whose child has lessons here, I know what an incredible asset this is to the local community—particularly for families who need a more bespoke environment due to sensory issues or SEND and just can't manage in larger public pools. The lessons are run respectfully and professionally, providing a key opportunity for children who might not otherwise learn to swim. Discontinuing them would be a total loss for our community and would leave children without life saving skills.
