**Subject: Support for Proposal**

Dear Sir/Madam,

I am writing to express my strong support for the continuation of swimming lessons at this facility. As a parent who has regularly enrolled my children in these lessons, I can confidently affirm that this program is a crucial resource for our community. The lessons are taught in a professional, well-structured manner, ensuring minimal disruption to others. Should these lessons be discontinued, many children, particularly those whose religious beliefs or additional needs that would prevent them from using larger public pools, would be negatively impacted. Furthermore, our community would lose a valuable local service that significantly benefits children in the area. The pool provides a safe, serene space that many children would not otherwise have access to, making it an indispensable community resource.

Yours Sincerely,

Natalie Levine
