Dear Sir/Madam,
Case Reference: 25/0574/RCU
Subject: Support for Proposal

I am writing to strongly advocate for the continuation of swimming lessons at this facility. As a parent who has frequently enrolled my daughters in these lessons, I can confidently say that this program is an essential asset to our community.

The lessons are conducted in a professional and organised way, ensuring they do not cause disruption or noise. If these lessons were to be discontinued, many children, especially those who find swimming in busy, noisy public pools, would be adversely affected. Additionally, our community would lose a valuable local resource that plays a significant role in benefiting the children in our area. The pool offers a safe and peaceful environment that many children would otherwise be unable to access, making it a vital community asset while offering local employment to very talented teachers who would otherwise leave the area to teach elsewhere.

Yours Sincerely

Eleanor
