Proposal Endorsement: SUPPORT
Dear Barnet Council,

Dear Sir/Madam,
Case Reference: 25/0574/RCU

I am writing to offer my strong endorsement of the proposal to continue providing swimming at this facility. As a parent whose child has benefited from the opportunity to swim here, I can confidently attest to the immense value this service brings to our local neighbourhood. I have witnessed firsthand how it is particularly beneficial for those who may feel uncomfortable in larger, more bustling swimming environments due to personal reasons, SEND or loud noise.

The pool provides a peaceful, well-managed, and respectful space, offering a crucial chance for those who may otherwise face difficulties in learning to swim and have real fear. Removing this would present considerable challenges for many families and eliminate an important, essential community resource in Barnet.
