I am writing to convey my full support for the proposal to continue offering swimming lessons. Having regularly enrolled my children in lessons at this facility, I can confidently affirm that it is an essential resource for our community. The lessons are run in a well-organized and considerate manner, ensuring minimal disruption to others. Should these lessons be discontinued, many children, particularly those with additional needs, would struggle, and we would lose a valuable local service that greatly benefits the children in our area. The pool provides a safe and tranquil environment that many children would otherwise not have access to, making it an important community asset.

Yours sincerely,

Abigail Kosky
