> I am writing to express my support for the proposal. Not everyone can manage at larger, noisy pools. Many children with additional needs, SEND or other personal or religious reasons don't feel comfortable in larger swimming environments and fully benefit from these quiet, calm lessons taking place. There are extensive community benefits that must be accounted for and is a vital opportunity to those who may not otherwise have a chance to learn to swim. If these lessons were to be stopped, many children would face difficulties and we would lose an amazing asset that greatly benefits children in our area.
