

Dear Sir/Madam,

Case Reference: 25/0574/RCU

Subject: Support for Proposal

I am writing to strongly support the continuation of swimming lessons at this facility. As a parent who regularly enrolls my children, I can confirm this program is a vital community resource. The lessons are well-organized and respectful of others. Discontinuing them would negatively impact many children, especially those with religious or specific needs preventing them from using larger public pools. Losing this service would deprive the community of - an important local asset, as the pool offers a safe, accessible space for many children.
