

Dear Sir/Madam,

Case Reference: 25/0574/RCU

I'm writing to voice my strong support for the continuation of swimming lessons at this facility. As a parent whose, I can understand firsthand how vital this service is for our community. The sessions are well-run, respectful of others, and provide a much-needed option for families—particularly those with religious or special needs who can't access larger public pools. Losing this resource would be a significant blow, as the safe, welcoming environment offered here is truly unique.
