Comment Reasons:

Comment: This swimming school provides a calm, supportive and lovely environment for my children, one of whom has SEN needs.

Having been to this property many times I am in full support of the proposal.

This is a lifeline to children and offers fundamental life skills. Any noise or traffic in the local area is absolutely nothing to do with this site. I have seen only calm, respectful behaviour from swimmers and their families.

In fact the key benefit of this business is it is so calm and offers a stress and noise free opportunity without any traffic implications to the local community.
