Comment: Dear Sir/Madam

I strongly object to the change of use from private to public pool - giving swimming lessons to groups of noisy young children.

This is a nice quiet residential location.

The introduction of a noisy commercial pool will destroy this tranquility, especially in the summer months, when sitting outdoors and enjoying one's garden is one of the best pleasures in life.

There are plenty of local public pools which are better placed to offer such usage, and there is absolutely no need to destroy the tranquility of a peaceful, residential location with the constant noise of screaming kids.

Many thanks for your kind attention
