Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: This is a quiet residential avenue which is already being clogged up with cars parked during school drop off and pick up time and the ever present builders vehicles. The added traffic of a commercial swimming pool would be unacceptable. the noise large crowds of children using it would also be equally unacceptable. We are only 2 doors down from the site and would be one of those most affected.

We object to the planning application
